WHAT TO BRING

What should you pack for your child each day?

CLOTHING & SHOES

Children should come to camp prepared for a full day of activities. For each day, children should have:

- Clean, non-marking indoor, athletic footwear
- Active wear clothing
- Be prepared for outdoor play based on current weather conditions

WATER BOTTLE

A reusable water bottle is ideal for camp, as water fountains are currently unavailable. Our facility has many water bottle filling stations to ensure campers stay hydrated.

VALUABLES

We recommend that all items of value should be left at home. Children will be not allowed to use any electronic devices during the camp unless an emergency situation occurs. We will not be responsible for any lost or stolen items.

SNACKS

You are encouraged to pack MORE snacks than you think are necessary. Our camp is physically demanding so packing extra snacks will help ensure your child does not become hungry, tired or cranky. Please ensure any food sent with your child does not contain peanuts or nut products. There will be no food sharing policy enforced. Some great examples of healthy snacks are fruit or veggies in any form, granola bars, crackers & cheese, yogurt, etc.

TOTE/BAG

A backpack, gym bag or tote is recommended for your child's belongings. A tag with the child's name is strongly encouraged. Please place all your child's belongings in the bag (snacks, clothing and medications)

Don't forget to mark all items with your child's name

ARRIVALS & DEPARTURES

WHAT YOU CAN EXPECT EACH DAY

When arriving, children must be accompanied by their parent/guardian to the camp sign-in table where they will meet their camp leaders to be signed in.

Adventure Camps at MIP begin at 9:00 am. All children shall arrive 15 minutes early on the first day of camp to ensure that all administrative duties can be completed before the camp begins. Each day thereafter will only require a quick sign in process! On Friday before the camp begins, parents will receive a call with directions to each camper's drop off location.

If a child is late arriving to camp (after 9:00 am) the parent/guardian must call MacDonald Island Park Guest Services at 780-791-0070. If the group has already departed for their first activity, the parent or legal guardian will escort their child to the specific amenity.

Camp will end at 4:30 pm. Each child must be signed out by a parent/guardian or by any person who is authorized on the registration form. Any person may be asked to provide photo ID for identification purposes. Camp leaders must be notified of early departure from camp at least 1 day in advance to make arrangements. Notice of early departure must be given directly to that child's specific camp leader. At the time of departure, the parent/guardian will be required to sign the sign-out form.

FOOD

* If your child has a food allergy please indicate at the time of registration and also inform the camp leaders at the beginning of the camp.

Adventure Camps at MIP have a "nut-free" policy for all food brought to camp. Please ensure that all lunches and snacks that are packed for your child follow this policy, as there may be children in the camps with allergies.

LUNCH

Lunch must be provided by parents. There will be no food sharing policy enforced. Siblings are to bring their own packed lunch.

SNACK BREAKS

We encourage parents to pack healthy food items during the camp, as there will be a morning and afternoon snack scheduled each day. Vending machines will not be available for use.

HEALTH & SAFETY

COVID-19 safety precautions

MEDICATIONS

All camp leaders are trained in standard first aid. Please indicate any necessary medical information on your registration form and let your camp leader know on the first day of camp. All campers should be capable of self-administration of medications. Please label all medications. It is strongly recommended for campers to hand in their inhalers and epi pens to their camp leaders to ensure it accompanies them as we transition between amenities on the island.

ACCIDENTS & EMERGENCIES

In the case of an emergency or accident involving your child, you will be contacted following notification of the appropriate emergency personnel. All camp leaders have current CPR and First Aid certifications and have been trained in emergency procedures at all locations.

WHAT YOU NEED TO KNOW

We can all work together to ensure the safety of all campers.

- Parents and guardians are asked to check their child's temperatures each day before coming to camp.
- Please keep your camper at home if they are sick, even if symptoms resemble a mild cold. Symptoms to look for include fever, cough, shortness of breath, sore throat, runny nose, nasal congestion, headache, and a general feeling of being unwell.
- If your child develops symptoms while at camp, they will be taken to a designated isolation area. A parent or guardian must be available to pick up child within **1 HOUR** of phone call.
